

IN THE UNITED STATES DISTRICT COURT FOR
THE WESTERN DISTRICT OF TEXAS
SAN ANTONIO DIVISION

JUAN MACIAS AND
JENNIFER MACIAS,

Plaintiffs

vs.

UNITED STATES OF
AMERICA,

Defendant

NO: 5:19-CV-00806-XR
(*consolidated with 5:18-CV-00555-XR*)

FINAL JUDGMENT

Judgment is entered in accordance with the Findings of Fact & Conclusions of Law, in cause No. 5:18-cv-00555-XR (February 7, 2022) (ECF No. 584), by District Judge Xavier Rodriguez, and Plaintiffs shall recover from the United States in the amount of:

1. \$11,233,214.20 for Juan Macias¹;
2. \$300,000.00 for Juan Macias, as Personal Representative of the Estate of Jennifer Macias.

Plaintiffs shall file their bill of costs with this Court within 10 days of entry of this judgment, which are to be taxed against the United States.

¹ After reviewing trial testimony, the Court finds that inflation and interest offset each other, resulting in a net discount rate of 0%. Therefore, of this amount, \$3,142,351.92 represents the present value of reasonable and necessary future medical expenses Juan Macias will incur.

Post-judgment interest shall be awarded in accordance with 31 U.S.C. § 1304(b)(1). Such interest shall be calculated at a rate equal to the weekly average 1-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the Judgment. 28 U.S.C. § 1961(a). For the week preceding this Judgment, the rate is set at 1.66 percent.²

Pursuant to 28 U.S.C. § 2678, attorney's fees are limited to 25% of the judgment, which the Court finds to be a reasonable and necessary fee in this case.

This final judgment disposes of all claims in the above-styled cause.

It is so ORDERED.

SIGNED this 5th day of April, 2022.

XAVIER RODRIGUEZ
UNITED STATES DISTRICT COURT

² See <https://www.federalreserve.gov/releases/h15/>; accessed April 4, 2022, showing 1-year Treasury constant maturities for March 25, 28-31, which average to 1.66%.
